

Trusting God Bible Study #5 God's Sovereignty over Nature

1. Job 37:1-13. Summarize these verses in own words about what God's role in nature is.
2. Explain the contrast found in verse 13.
3. Amos 4:7-9. What was God's purpose in directing nature?
4. What is your usual attitude about weather? Do you complain about it or thank God for it? When you complain about the weather do you realize who you are complaining to?
5. What is God taking responsibility for in Exodus 4:11 and Isaiah 45:7?
6. John 9:1-3. What is the reason for this man's blindness?
7. Natural events include earthquakes, drought, floods, blindness, diseases and even viruses. These often cause us to ask questions of God. Is it OK to ask God these questions? Is it OK to express your anger or anxieties about these?
8. How does the fact that God is ultimately in control over this virus we now fear help you? In what ways does this fact raise questions about God's purposes?
