4. Job 36:21 – There are two kinds of responses that lead us in two different directions. What are those two responses and how would you describe the two directions that they lead?
5. Back to John 15:2 what is the purpose of God's pruning in our present adversity?
6. Hebrews 12:10 – What is the connection between adversity and holiness?
7. 2 Corinthians 1:8-9; 12:10 – What else can God achieve in you?
8. Hebrews 12:1 – How and what is God causing you to throw off to run the race?
9. Are you excited yet and expectant of what God has planned for you and His church after this is all over? Or at least curious? Spend some time pondering that today as you reread Philippians 1:6.
